Finland Is Named the Happiest Country in the World for the Ninth Year in a Row

The World Happiness Report is an annual ranking of wellbeing around the globe. This year's report spotlighted the consequences of social media use

Let's vibe code some widgets

- Today I'm showing you some VERY different widgets I have made with various LLMs

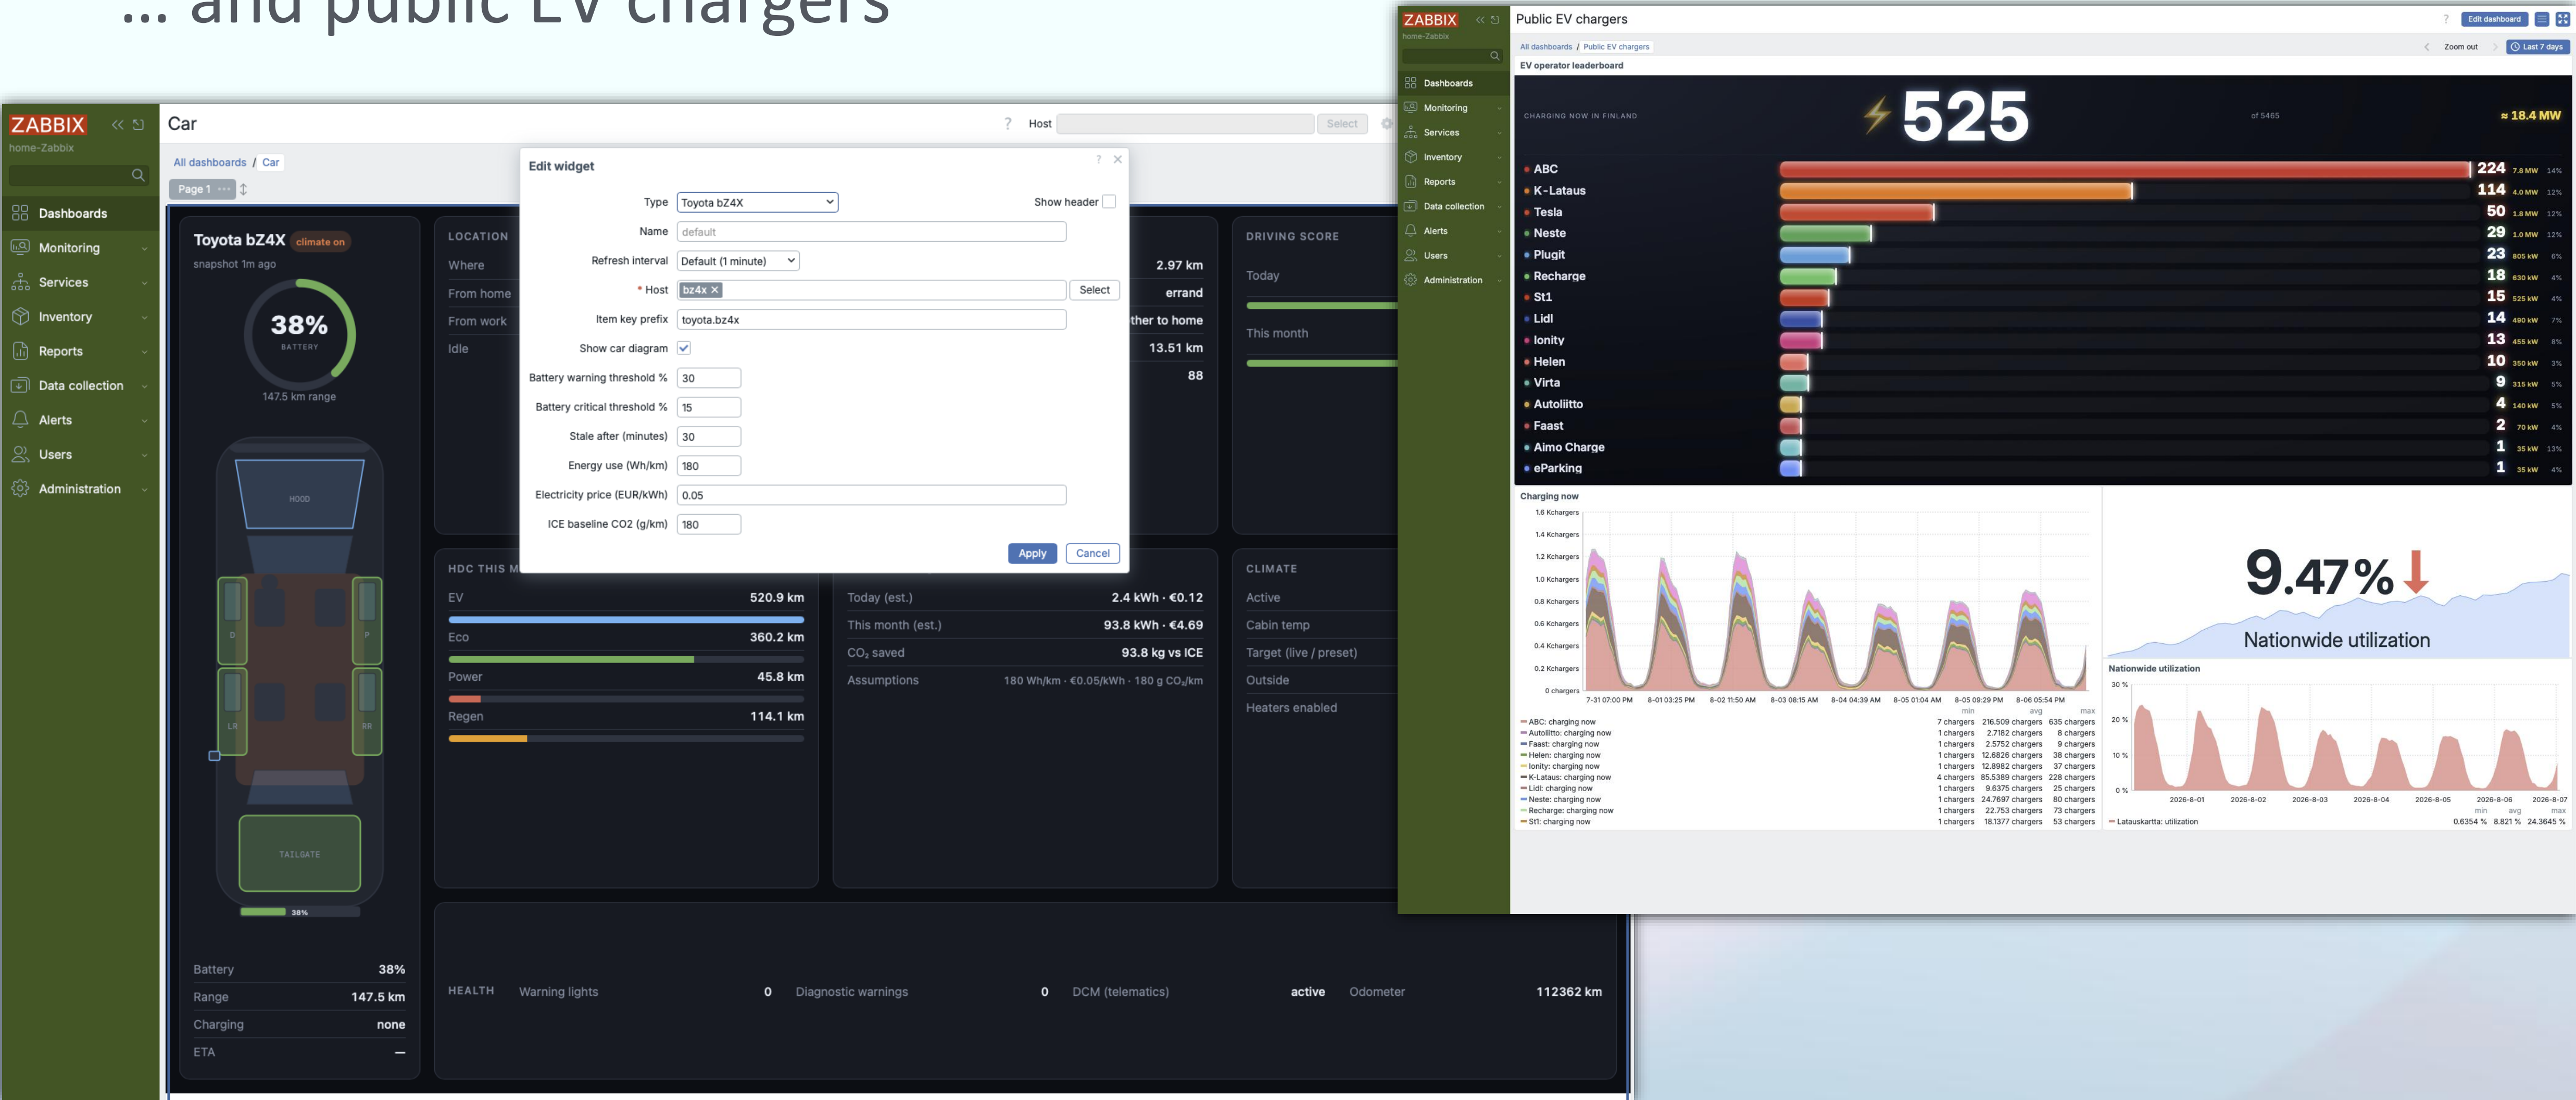

The image shows a terminal window with a black background. On the left is a small orange icon of a robot head. To its right, the text reads: **Claude Code** v2.1.231, Sonnet 5 · Claude Enterprise, and ~/Projects/claude/whatsuphome. Below this, a prompt is entered in a light gray bar: > Generate me an awesome Zabbix 7.0+ widget that I could proudly show in front of Zabbix Summit 2026 audience. Make no mistakes.

Type like it would be the 80's

Bad Apple but it's Zabbix

Thank you!
