

# ALL YOU NEED TO KNOW AS A ZABBIX SUMMIT 2025 ATTENDEE

Hi! We've put together a cheat sheet to help guide you through the conference and clarify details about related events.

This guide provides all the essential info about the conference **registration and activities** during Zabbix Summit 2025, including hands-on workshops, training sessions, the merch shop, and much more.

**Download the PDF** to your phone to keep all the key info handy! Any text marked in red is clickable and contains a link for easy access.

## ON-SITE REGISTRATION AND ENTRANCE PASS

**All participants must scan their QR codes** on-site each day of the conference and separately at every networking event they attend.

**Primary registration** begins on October 8, from 9 AM to 5:30 PM. The registration desk will be located on the 1st floor, right in front of the Radisson Hotel reception.

To receive your Zabbix Summit ID badge with a lanyard, you must show your virtual Entrance Pass (QR code), which you'll receive a few days before the Summit. The ID card or Passport should be used only as a last resort.

If you can't make it on October 8, no worries! You can register at the Welcome event in the evening or on the first day of the conference, October 9.

During the conference days (October 9-10), the registration desk will be on the 2nd floor by the main entrance, open from 8:30 AM. Just stop by with your ID badge to scan your QR code.

Check-ins for the Summit networking events will be at the entrance of each venue.

**NB!** Be sure to wear your lanyard and ID badge everywhere during Zabbix Summit. Whether attending the conference, training, or networking events, your **Entrance Pass should always be with you**.

## OPEN HOUSE DAY

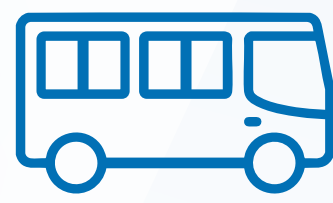

If you arrive in Riga on October 8 or earlier, don't miss the chance to visit the **new Zabbix office!** Be among the first to see our brand-new home – a bigger, cooler, and more modern space spread over three floors. Normally, only one floor is open to the public, but for **Open House Day**, we're giving you a full behind-the-scenes tour. Meet the team, enjoy some snacks, and soak in the atmosphere – it's the perfect way to break the ice with other Summit attendees.

The Open House Day will take place at Zabbix HQ (Gustava Zemgala gatve 74, Riga, Latvia – see [map](#)) on October 8 from 1 PM to 4 PM.

Feel free to drop by earlier or a bit later – we'll be happy to host you! If you haven't signed up yet, just send us an email at [summit@zabbix.com](mailto:summit@zabbix.com), and we'll add you to the list.

### HOW TO GET TO THE ZABBIX OFFICE?

This year, we've got you covered with a free transfer!

▶ A special bus will **depart from the Radisson Blu Hotel** every 30 minutes at **12:30, 13:00, and 13:30**.

▶ **Return buses from Zabbix HQ** will leave at **14:30, 15:00, and 15:30**.

If you miss the bus and don't want to wait, here are other ways to get to the Zabbix office (at your own cost):

You can get to Zabbix from the city center by **public transport, taxi**, or car-sharing (**Bolt Drive, CityBee, CARGURU**).

For public transport, we recommend using Google Maps to build a route. For taxi and car-sharing: mobile apps available for both Apple and Android devices.

## AGENDA

Take a look at the **full agenda** for a detailed event program. In addition to the main stage talks and practical case studies, check out the **Dev Track** for hands-on how-tos, like creating plugins, widgets, and templates, as well as the **Community Track** for discussions on integrations, extensions, and sharing experiences with the community.

## WORKSHOPS

Alfa Stage will host a workshop track with **5 different sessions** led by Zabbix professionals and industry experts, covering topics from AI-powered monitoring and nested LLDs to performance troubleshooting, trigger optimization, and extending Zabbix with H5 network and Netflow.

**Check the workshop agenda.**

**NB!** You will need a Linux/Windows laptop ready for a Virtual Machine installation. Our tech team will help you with all the required applications for it during the session.

## ZABBIX TRAINING AND EXAMS

Every attendee who signed up for Zabbix Certified Training or Zabbix Exam has already received or will receive a separate confirmation email from the Zabbix Training Coordinator with all the necessary information regarding the course or exam selected.

If you haven't signed up yet, you can still **apply for on-site training sessions** in Riga up to **3 days before each course starts**. Simply select the training courses or exams you want to purchase and add your personal details – a new invoice will be created for you to pay.
