

ZABBIX

Why alerting is
important !

Name:
Michael Schouwstra
IT consultant / Zabbix trainer

A lot of impulses everyday!!

How to make your **ZABBIX** alerts stand out?

Importance of **ZABBIX** messages!!!

Confused penguins!!

What happens if the message is unclear ??

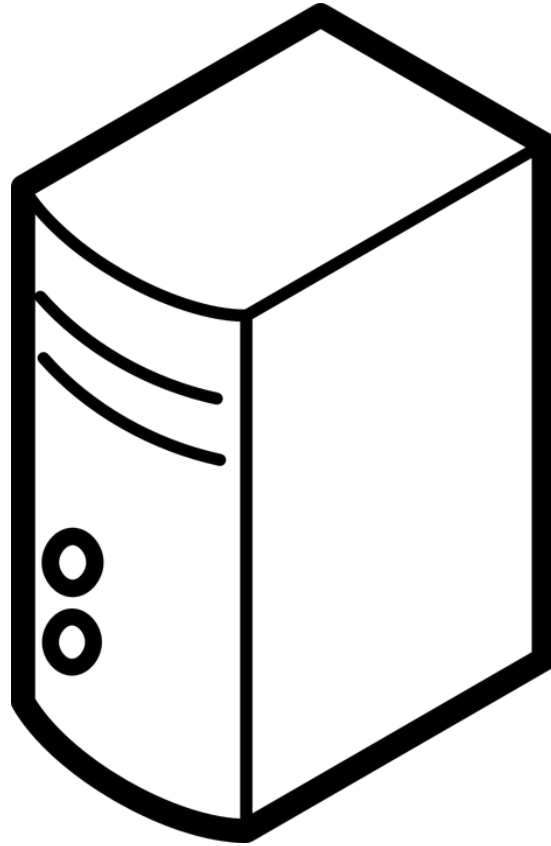

Let's waste a lot of time!!!
Still no fix? Let's reboot?

404 error

We are sorry but the page you are looking for does not exist.
You could return to the homepage or search using the search box below

What happens if nobody reads the message??

How to make a messages better?

Done, it is fixed

Use supported macros!!!!

{TRIGGER.URL}
{TRIGGER.VALUE}
{TRIGGER.SEVERITY}

Create recovery messages

ZABBIX

https://www.zabbix.com/documentation/4.0/manual/appendix/macros/supported_by_location

How to read a **ZABBIX** message:

Rules:

1. Ensure your phone is turned on
2. Make sure battery is above 60% at all time
3. Ensure your sound is turned on
4. Ensure your phone has a connection
5. Be around your phone
6. **Wake up!**
7. **Read the message!!**

My phone
battery died

My sound was
turned off

Sorry, I didn't
read the
message

Better luck next time

Think of the guy on call!!

Wake up people with
out of the box
functionality

Zabbix 5.0 LTS

ETA: March, 2020

Out of the box monitoring and alerting

- Set of templates and integrations with alerting and ITSM systems
Zabbix will include enhanced set of templates for monitoring of various operating systems, applications and network devices, also with ready to use media types for integration with popular alerting, notification and ITSM systems.
- Monitoring of Kubernetes
Out of the box solution for monitoring of Kubernetes clusters.

New features are coming!!!!

“If brute force doesn't work, you aren't using enough”

Sherrilyn Kenyon

Or do it yourself

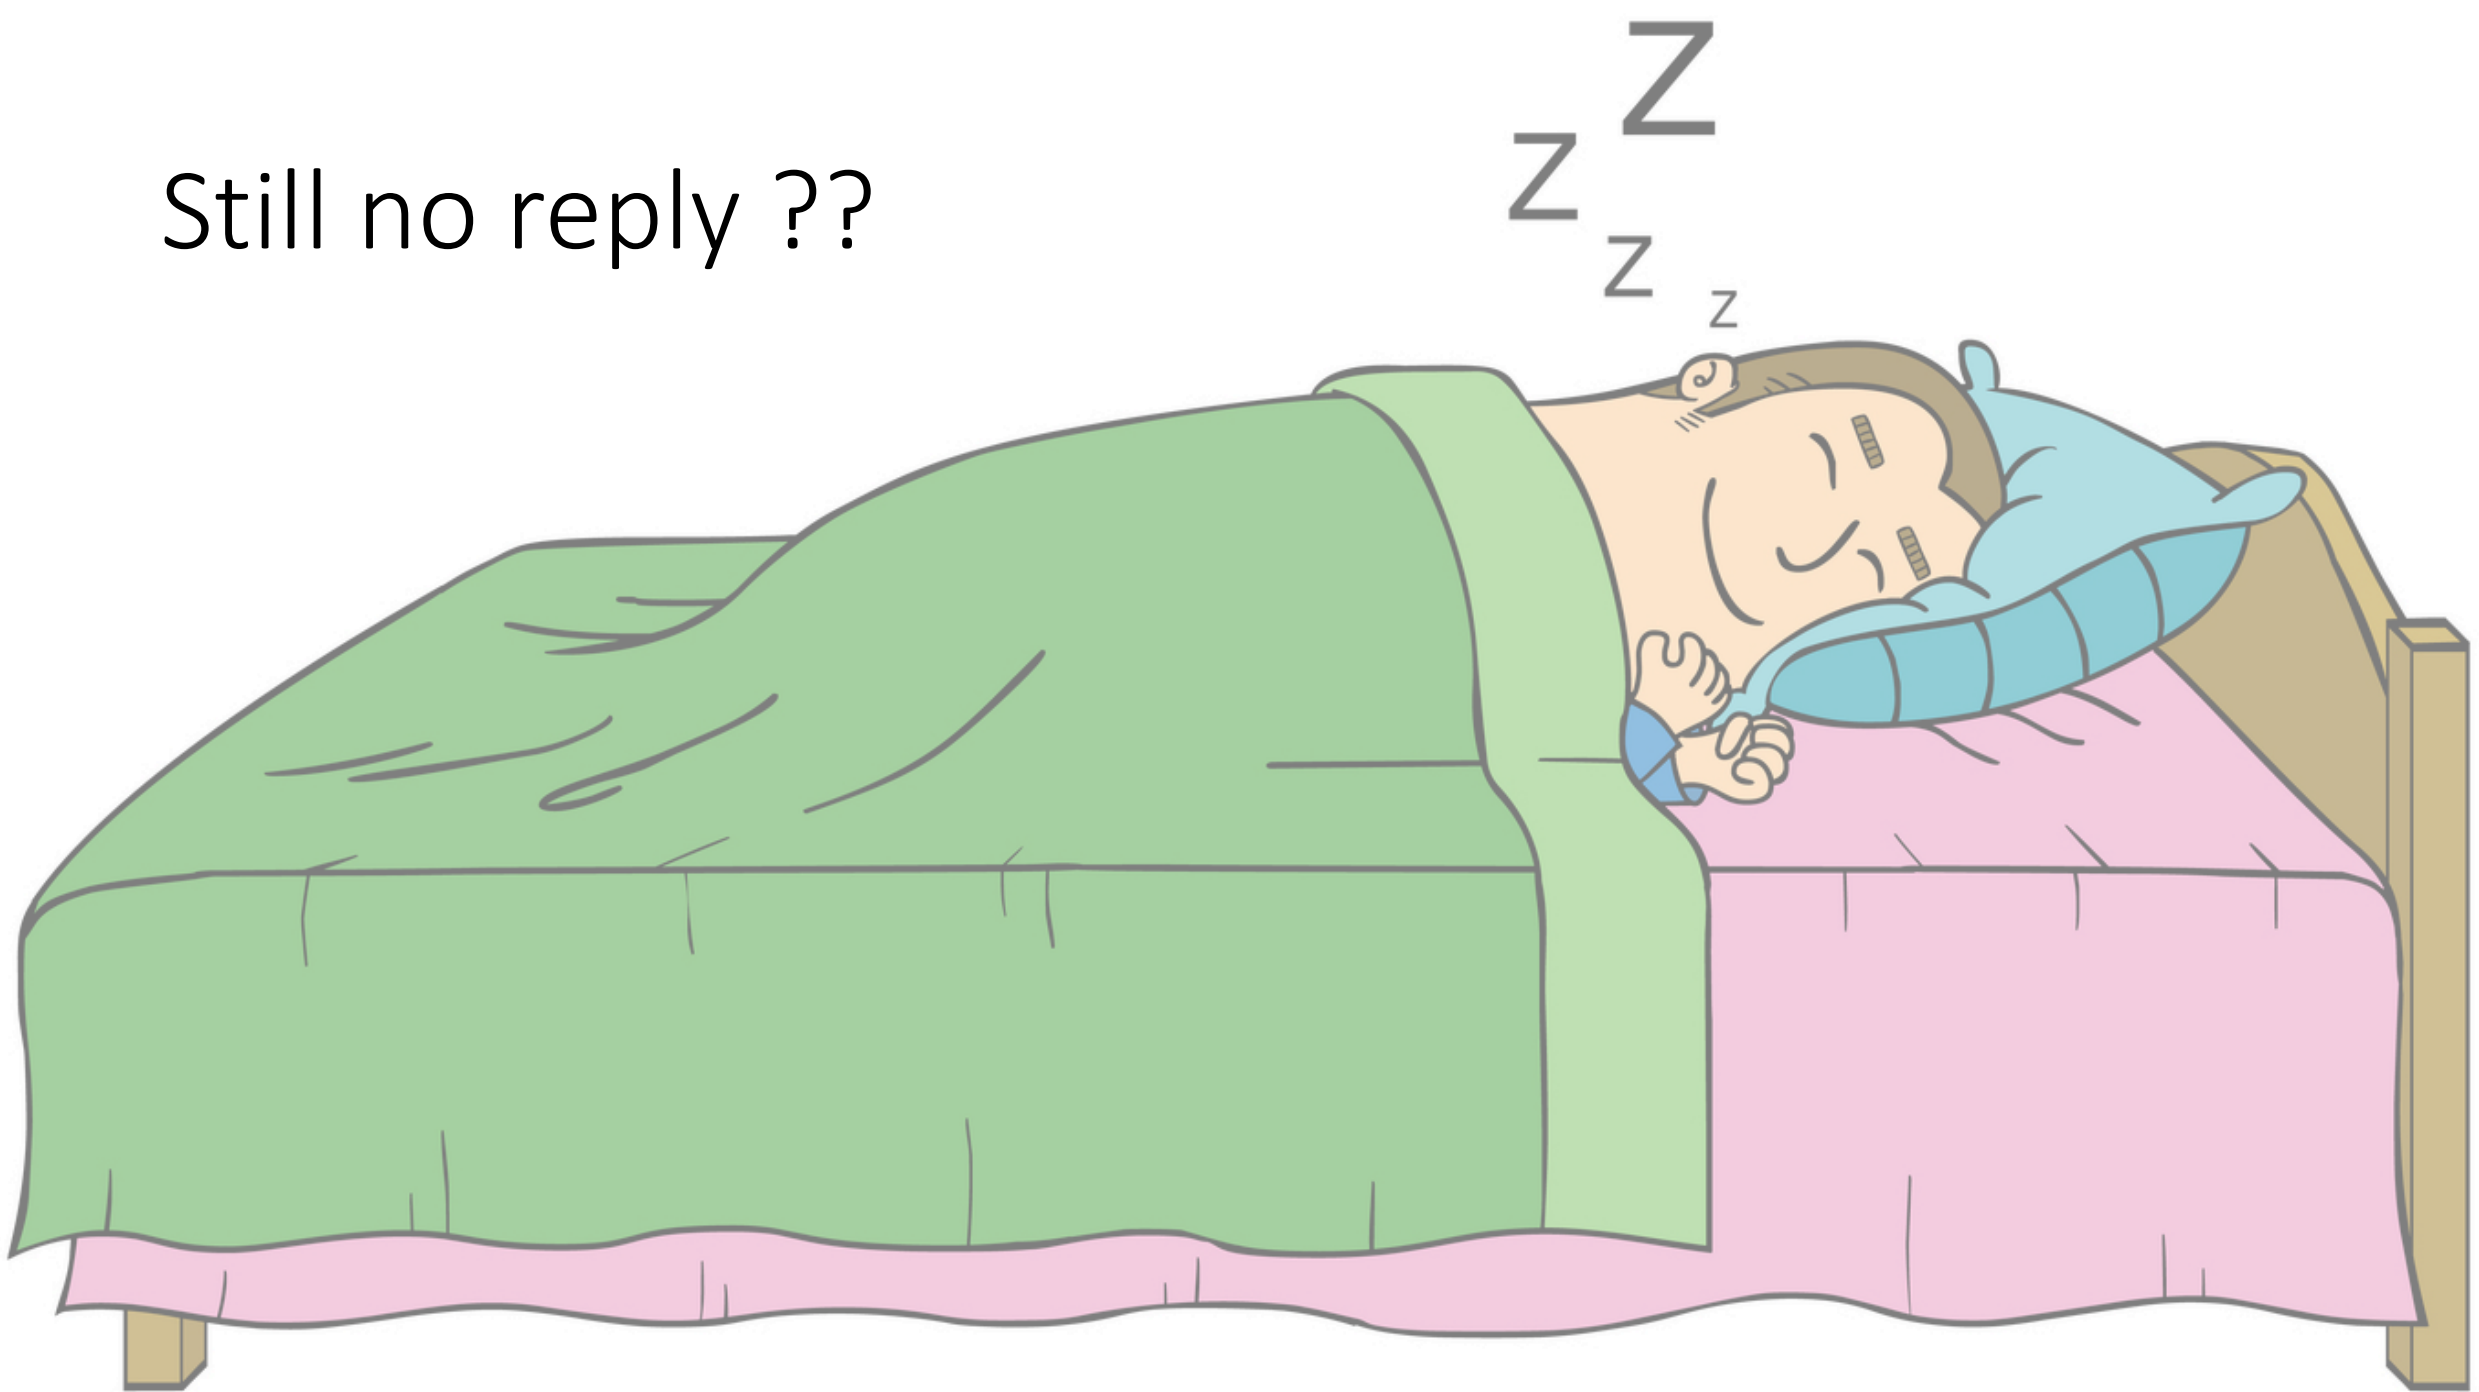

```
lazynessofaperson=5
timeheorsheoverslept=20
messagesneededtowakeup=$lazynessofaperson*$timeheorsheoverslept

for ((i=1;i<=$messagesneededtowakeup;i++));
do
    # your-favourite-unix-command-to-wake-a-person
    echo $i
done
```

Lets called it the: you need to wake up formula

Still no reply ??

Only one option left:

We send pidgeon's :

XIFEO

ZABBIX

Thanks for your time!
And keep using
Zabbix!
