Services

Technical Support

Get technical advice

Get instant access to a team of Zabbix experts for guaranteed professional support 24x7

Consulting

Talk to experts

Gain benefit from expert advice and best practices for all Zabbix-related matters

Professional Training

Obtain knowledge

Focused comprehensive training for all your Zabbix needs in 5 days, in many local languages

Turn-Key Solution

Deploy professionally

Install and configure Zabbix according to your specific requirements

Template building

Customize monitoring

Effortlessly start monitoring of your specific device, system, application or service

Remote troubleshooting

Quickly get a solution

Eliminate any issues you have run into within hours, not days or weeks. Fix your system correctly, accurately

Integration

Expand your workflow

Interconnect Zabbix with your ticketing system, servicedesk or any other tool you might have

Upgrade

Use the latest version

Eliminate the risks and minimize downtime by upgrading with the Zabbix team

Development

Enhance Zabbix

Hire Zabbix to develop additional features for your business needs

NEEDS**

TURN-KEY – IMPLEMENTATION OF SOLUTION

Home / Professional Services /

Turn-Key Solution

Designed as a complete service that allows you to get a fully pre-configured and functional Zabbix monitoring solution running on the server of your organization.

Typical situations when Turn-key Solution can really help

- ✓ Deploy Zabbix quickly and professionally
- ✓ Fine-tune your current Zabbix installation
- ✓ Migrate from a legacy tool to a fresh Zabbix instance
- ✓ Add thousands more devices to your monitoring system
- ✓ Install and configure a scalable solution with High-Availability in place
- ✓ You need to divide the roles within your team and apply permission patterns

[Apply for Turn-key Solution](#)

- RFI
- RFP
- **IMPLEMENTATION ++ DEVELOPMENT**
- **DOCUMENTATION**

What You Get

- Fully functional and deployed Zabbix monitoring solution
- Perfectly tuned and deployed Zabbix system with instructions for future growth
- Fully documented procedure upon task completion
- Zabbix best practices in action
- Clear picture of your monitoring tool's performance

Your Benefits

- Quick start to monitoring your whole IT infrastructure
- No time spent on self-study
- Your team will get "on-the-job-training" while watching our engineers do the work
