New Ways to Become Zabbix Expert

Sergey Sorokin, Director of Business Development

ZABBIX SUMMIT '18

Current Training Programs

Level 1
Zabbix Certified Specialist

For Zabbix beginner who want to get on track fast and in the right way. In 3 days you will learn about the main functionality of Zabbix monitoring software, its installation, setup and mainenance.

Courser pre-requirements

Advanced computer literacy and knowledge of operating systems

Exam pre-requirements

None

Level 2
Zabbix Certified Professional

For administrators of large enterprises and companies that use Zabbix to monitor large amounts of devices located in multiple datacenters.

Courser pre-requirements

Zabbix Certified Specialist certificate or attendance certificate

Exam pre-requirements

Zabbix Certified Specialist certificate

Challenges

- Richer functionality

- Broader audience

- Strive for even better quality

- Program build on software design, not user roles
