

## NEWSLETTER

ZABBIX

The Enterprise-class Monitoring Solution for everyone

## What's New

Zabbix Conference Benelux 2020 took place the previous weekend in Utrecht. It's been quite an interesting and useful event. Feel free to explore the [presentation slides](#) yourself.

The main [Zabbix event](#) about monitoring in Latin America will take place already on April 17-18. CFP is open! Share your Zabbix story and make your contribution to the Zabbix community.

## Zabbix Demo Video

Now there is no need to schedule a demo session to get a technical overview of Zabbix features. We have filmed a [Zabbix Demo Video](#) and published it on our website, so you could watch it and explore Zabbix anytime.

## Zabbix Blog: Learn from Zabbix Experts

- [Developing plugins for Zabbix Agent 2](#)
- [Ceph Storage Monitoring with Zabbix](#)
- [Trend Prediction Tutorial in Zabbix 4.0](#)

## Meet Zabbix

[Digital transformation Expo Manchester \(March 25-26\)](#)

Digital transformation Expo is an event for IT and business leaders and architects, cybersecurity experts, data scientists, software engineers from businesses of all sizes. Welcome to meet the Zabbix team and get introduced to our open-source monitoring solution.

[Zabbix Meeting UK \(March 26\)](#)

Zabbix Meeting UK will be mostly dedicated to the Zabbix 5.0 release, new features, and advantages. The business part of the event will be mostly intended for company CIOs and IT infrastructure managers who want to explore the benefits of possible cooperation with Zabbix.

[Saint HighLoad++ 2020 \(Apr 6-7\)](#)

HighLoad is the biggest professional conference for highload system developers. Zabbix, as usual, will stand for monitoring, showing the usability and new opportunities available in Zabbix.
