

Dear Community,

Due to the global quarantine caused by the COVID-19 pandemic, we completely understand the importance of keeping monitoring your IT infrastructure and business. Zabbix Team continue to work, however, we had to limit some of our activities. Please find all the changes listed below.

All support operations are remaining active - [customer support](#) works 24/7.

We continue to develop Zabbix new releases as usual.

We have suspended temporarily on-site training and consulting.

We canceled Zabbix's participation in expos and events around the world. Most of the [events](#) will be postponed.

We postponed Zabbix conferences and meetups.

However, we encourage you to explore different angles of Zabbix during the quarantine. Zabbix [Webinars](#), [Blog Posts](#), as well as [Youtube Videos](#), are available at no cost.
