The Enterprise-class Monitoring Solution for everyone

What's New

We continue to work on the next Zabbix LTS release 5.0. At the moment, feel free to explore what's new in [5.0.0alpha3](#). Zabbix versions [4.0.19](#) and [4.4.7](#) are also released and available for download.

We added the playlist with video presentations delivered during [Zabbix Meetup Moscow](#) which was dedicated to the topic of the integration. You are [welcome to watch](#), but please note that the speeches are delivered in Russian.
